1.	<p>When designing our approach for this specific project, we would like to better understand the number of weeks available to conduct our work. Therefore, could you please confirm if the following assumption is correct: if selected, we would be able to start the work by October 12 and are requested to complete it by November 30, in 7 weeks. Do you have a hard deadline (e.g., Board meeting) on November 30 or could the timeframe be extended under any circumstances?</p>	<p>Yes the assignment has to be completed in 7 weeks. At this point in time we are not looking at an extension.</p>
