

RESPONSE TO BID CLARIFICATION QUERY**CREPMF ICA**

No.	Question	Response
1.	<p>We are highly interested in the project and would very much want to submit proposals to your office.</p> <p>Since both French and English is international language, would it be acceptable if proposals were to be drafted/submitted in English and consultants to be English speakers only</p>	<p>The official language for CREPMF is French and hence the requirement to have the bids submitted in both French and English. The consultants need to be fluent in French which is the working language for this project.</p>
